PART I. INSTRUCTION TO BIDDERS

A. General

I. General terms & disclaimers

1. Any defined term used in this Tender Document shall have the meaning given to it in the definition clause (3) or as is defined elsewhere in this Tender Document.
2. For the avoidance of doubt, it is clarified that, prospective Bidders shall not be permitted to Bid through a Consortium of any form.
3. The purpose of this Tender Document is to provide potential Bidders with information to assist the formulation of their Bid. Whilst this Tender Document has been prepared in good faith, all information contained in this Tender Document, including financial, geographical, commercial, legal and technical information has been included for illustrative purposes only to assist the Bidders in making their own evaluation of the Bid. Each Bidder shall be solely responsible for satisfying itself as to the information required to submit a Bid for the Scope of Work. The Bidder shall conduct appropriate due diligence, investigations, projections, conclusions and consult their own advisors to independently verify the information and facts in this Tender Document and to obtain any additional information they might require prior to submitting their Bid.
4. Neither NPL, nor its employees, partners, directors, other staff or its consultants/advisors:
 - a. accepts any responsibility or liability to any Bidder or any other person arising out of or in relation to this Tender Document (including in relation to omissions of information) and/or in respect of the use of, reliance on such information and/or costs, losses, damages or any other consequences suffered in connection with anything contained in this Tender Document including any matter deemed to form part of this Tender Document, the award of the Contract, or otherwise arising in any way from the qualification process for the said Contract; and
 - b. makes any representations or warranty (express or implied) as to the adequacy, accuracy, reasonableness or completeness of any information in this Tender Document.

Each Bidder shall be solely responsible for satisfying itself as to the information required to submit a Bid.

5. This Tender Document includes statements, which reflect understanding of various assumptions arrived at by NPL. Bidders are advised to make their own assessments prior to submitting their Bids.
6. Each Bidder shall inspect and examine the relevant infrastructure at mine(s), siding(s) and at NPL Plant and obtain all information required and satisfy itself regarding all matters and things before submission of its Bid including but not limited to (i) the type and number of equipment and facilities including transportation facilities required for the satisfactory completion of the Scope of Work set out in this Tender Document; (ii) the quantities of various sections of the work; (iii) the availability of local labour; (iv) availability and rates of materials; and (v) local working conditions, extreme weather conditions, uncertainties of weather, obstructions and hindrances that may arise, etc., all which may affect the work or cost thereof.
7. By participating in the tender process, each Bidder acknowledges and accepts that it has not been induced to enter into such agreement by any representation or warranty, express or implied, or relied upon any such representation or warranty by or on behalf of NPL or any person working in the tender process. Such participation shall be considered as deemed acceptance of the terms and conditions of this Tender Document.
8. NPL may at its own discretion, but without being under any obligation to do so, update, amend or supplement this Tender Document as may be deemed necessary by NPL at any time including to:
 - a. amend the Scope of Work and/or terms described in this Tender Document.
 - b. amend, terminate or suspend any element of the tender process, including by extending any date, time period or deadline provided for in this Tender Document.

2. General information about NPL’s thermal power plant

Nabha Power Limited (NPL), a wholly owned subsidiary of L&T Power Development Limited has been successfully operating a 2X700 MW super critical thermal power plant at Rajpura, Punjab since 2014. 100% of the power produced by NPL Plant is tied up with the

Punjab State Power Corporation Limited (“PSPCL”) under a long-term Power Purchase Agreement (“PPA”). Efficient and reliable power from NPL forms the backbone of power supply to the state of Punjab.

NPL is among the best running power plants of the country having the performance parameters at par with the most efficient power plants around the globe. The coal handling plant of NPL has state of the art technology with crescent type wagon tippler supplied installed and commissioned by L&T Bulk Material Handling unit.

NPL has received numerous awards and accolades such as CII national Energy leader award, CII awards for Excellent Energy Efficient Unit as well as Best Innovative Project, Gold CSR Award, **IPPAI award for Best Thermal Power Generator**, National Best Employer Brand Award by Economic Times, etc.

NPL by virtue of being the cheapest thermal power producer within the state of Punjab remains on the top of merit order, this has resulted in the plant operating at high Plant Load Factor (PLF), which is amongst the best in the industry.

So far, Coal is being primarily sourced through linkage from SECL under the Fuel Supply Agreement (“FSA”), executed for 5.55 MMTPA. Over and above, under the FSA with SECL, NPL is also securing allocations of significant quantities of coal from other subsidiaries of CIL including NCL. NPL executes a tripartite agreement with TPSA and concerned coal company for sampling and testing at the loading end.

In pursuance of Ministry of Coal policy of Linkage Rationalization of IPPs dated 15-05-2018, on 21.07.2021 CIL has notified NPL for linkage transfer of 2.775 Million MT coal of SECL to 2.464 Million MT from NCL. The process of linkage transfer from SECL to NCL is to be implemented.

NPL proposes to engage reputed and competent contractors for facilitating the execution of FSA, arranging Coal allocation to NPL from NCL, Coal supplies through Rail mode from NCL mines/sidings, liaising and coordination with CIL, CEA, Ministry of Coal, Ministry of Power, NCL, Railways, TPSA, concerned State Governments etc. including supervision of coal during transportation from mines to NPL Plant ensuring uninterrupted supplies as per the quantity and quality requirements as set out in the Contract.

C. Opening and Examination of Bids

9. Bid opening

NPL shall not be responsible for any delay in submission of the Bids online. Any Bid uploaded after the time specified for receipt of bids is liable to be rejected. NPL may at its sole discretion extend any of the timelines related to the tender process.

The Technical Bids will be opened on the date and time specified in clause 1.32 of the General Terms & Disclaimers.

9.1 Bids which are not complete in all aspects as stipulated above and/or without the Earnest Money Deposit (“EMD”) are liable for rejection being nonresponsive. NPL may at its discretion accept any non-material/ minor deviations. NPL representative(s) for tender process shall have the discretion to decide whether the deviation is minor/non-material or not.

9.2 Price Bid of the Qualified Bidders (who meet the qualification requirements) shall be opened on the date and time as specified in clause 1.32 of the General Terms & Disclaimers.

9.3 If the Bids cannot be opened as per the schedule, the Bidders/Qualified Bidders will be intimated regarding the revised schedule for opening of the Price Bid.

Note: NPL reserves the right to verify the authenticity of the documents submitted for meeting the qualification requirement and may request for any additional information and documents. NPL reserves the right to contact the Bidder’s bank and third parties to verify the Bidder’s information and documents for the purpose of qualification. In such cases, Bidder shall co-operate fully with NPL at their own cost. In case NPL desires to verify copies with originals that are not submitted, Bidder is required to make them available at NPL premises.

10. Evaluation for Qualification:

The Bid will be evaluated as per technical and financial qualification as per clause 6 above.

11. Evaluation of the Price Bid

The Bidders shall be evaluated on the basis of the lowest service charge to NPL in Rs/MT basis(including all taxes and duties).

D. Award of Contract

12. Negotiations and award

NPL reserves the right to negotiate the service charges (quoted in Price Bid) with any of the Bidders asking them to quote their no- regret price.

NPL may directly issue the PO(s) without going through LoA stage.

Notwithstanding any other provision of this Tender Document, the Contract between NPL and the Successful Bidder(s) shall come into existence by the following process:

- 12.1** The Bidder(s) shall sign and return the Acceptance Letter as provided in Annexure X together with its Bid as evidence of its acceptance of the terms of this Tender Document. The Contract between NPL and the Successful Bidder shall come into existence and commence on the date NPL issues a Letter of Award to the Successful Bidder; or on the date NPL issues the first Purchase Order to the Successful Bidder, whichever is earlier.
- 12.2** NPL may at its own discretion issue a Letter of Award to the Successful Bidder(s). Such Letter of Award may include certain conditions which the Successful Bidder must satisfy before NPL issues a Purchase Order to such Successful Bidder.
- 12.3** NPL may issue Purchase Order(s) to the Successful Bidder who must comply with the terms of such Purchase Order(s). NPL shall in no circumstances be obliged to issue any Purchase Order(s) to any or all the Successful Bidder(s). However, any failure to comply with the terms of an issued Purchase Order shall be treated as a breach of the terms of the Contract and NPL shall be entitled to exercise its remedies specified in the Contract.
- 12.4** The Bidder(s) shall indicate its subsidiaries/Related Parties as per Annexure IX. NPL may (in its sole discretion) place an order, by issuing a Purchase Order, to the related party/subsidiary of the Bidder provided that such Purchase Order shall always be subject to the terms & conditions of the Contract. In the event of any default by any related party or subsidiary of the Bidder, the default shall also be deemed to be a default on the part of the Bidder and bear the consequences thereof.

13. Bid currency and validity

- 13.1. The Bidder shall quote the prices in Indian Rupees (INR) as per the Price Bid format provided in Annexure IV.
- 13.2. The Bids submitted shall be valid for acceptance for a period of 180 days from the date of Price Bid opening. Bid validity can be extended further by mutual agreement.

14. Earnest Money Deposit (EMD)

Beneficiary Account Number	001351000076
IFSC Code	ICIC0000013

Note: No interest shall be paid on EMD.

EMD shall be refunded/retained as per the table below:

Successful Bidder		Unsuccessful Bidder L2	Unsuccessful Bidder L3, L4 and so on
If PO is placed	If PO is not placed		
EMD shall be converted into CPS	Within 180 days from date of Price Bid opening	Within 60 days from date of Price Bid opening	Within 30 days from date of Price Bid opening

NPL shall have the right to forfeit the EMD if:

1. the Bidder withdraws or modify his Bid during the validity period of the Bid.
2. the Bidder conceals any material information or makes a wrong statement or misrepresents any fact(s) or makes a misleading statement in its Bid that has a material impact on the performance required under the Contract or tries to influence the outcome of the Bid process, in any manner whatsoever or acts in a manner to nullify the tender process.

Important Note: In case Bidder makes false representation with respect to qualification requirements, which may be discovered/ revealed/ noticed during the tender process. or during the validity of the Contract, EMD/CPS may be encashed and forfeited by NPL and Contract/Purchase Order if awarded may be annulled with no liability to NPL. NPL may also take other actions as appropriate including blacklisting and debarring the Bidder from current and future participation in bids issued by NPL.

15. Contract Performance Security (CPS)

- a. The EMD amount submitted by the Successful Bidder shall be converted into CPS.
- b. The CPS shall be returned within 30 days after final settlement of the Contract, subject to deduction of tax, if any and after adjusting/ setting off any amount due to NPL from the Contractor and after the receipt of Contract Closure note as per Annexure XI of this Tender Document. No interest shall be payable to the Contractor on the amount of CPS.
- c. CPS shall be maintained throughout the tenure of the Contract as a security for satisfactory performance. In case of any unsatisfactory performance, CPS may be forfeited. In case of forfeiture of the CPS or part thereof, the Contractor shall replenish the same within 2 weeks of such invocation and intimation from NPL. If the Contractor fails to replenish the same within the stipulated time of 2 weeks, then NPL shall be at liberty to withhold the payment due for supplies already made to the extent of CPS replenishment required or terminate the Contract.
- d. Unsatisfactory performance shall include any or all of the following:
 - i. Materialization is below 50% for two (2) consecutive months due to any reason whatsoever but not attributable to NPL.
 - ii. Average transit loss is more than 3% for two (2) consecutive Batch.

16. Validity Table

Document	Value	Validity
Earnest Money Deposit (EMD)	Rs. 20,00,000 (Rupees Twenty Lakhs Only)	EMD will be refunded to the Bidder as per the table mentioned in clause no. 14 above
Price Bid (Annexure IV)	As stated in Annexure IV	180 days from the date of Price Bid opening
Contract Performance Security (CPS)	Rs. 20,00,000 (Rupees Twenty Lakhs Only)	30 days after final settlement as per clause 15

17. Period of contract:

The commencement date of the Contract shall be as per the “Negotiation & Award” section above. The Contract shall be for a period of one year from the date of issuance of LOA/first PO (whichever is earlier) until the entire quantity of Coal allocated to the Contractor during the above-mentioned period of one year is received at NPL Plant. The Contract may be extended for the Coal allocated for the following year, with the mutual agreement of NPL and the Contractor.

18. Contracted Quantity:

The obligation of the Contractor is to provide services as per Scope of Work up to 2.464 Million MT per year during the period of the Contract. However, actual rakes per Month may vary.

Execution of quantity above this quantity shall be subjected to mutual agreement between NPL and the Contractor in writing.

19. Taxes & duties

19.1 The unit rates indicated in the Price Bid of Annexure IV shall be inclusive of all taxes, duties, levies and statutory requirements as per Applicable Laws, except the Goods and Services Tax (GST). GST shall be paid extra as applicable as per the applicable prevailing rates.

19.2 Taxes, duties and any financial levies on any account which were applicable at the time of bidding but inadvertently omitted by the Bidder are deemed to have been included in the unit rates. Any new tax or duty which were not applicable and is imposed by Government post bid, the same shall be admissible for payment. Similarly, any taxes and duties which are reduced/withdrawn by Government, the consequential benefit shall be passed on to NPL through reduction from the Contract Price. In case of withdrawal of existing tax/duties/cess by the statutory bodies, the same shall not be paid by NPL from the date of such withdrawal.

19.3 Prices indicated in the Price Bid as per Annexure IV are inclusive of all costs towards tools, tackles, materials, machinery, consumables, as well as sufficient number of skilled / semiskilled / unskilled manpower, which shall be required for ensuring smooth execution of the work.

19.4Income Tax payable shall be to the account of the Contractor. Tax at source shall be deducted, as per the relevant rules of Income Tax Act, 1961 or applicable Act, from all payments on account of services provided by the Contractor. NPL shall issue valid certificates for the tax deducted at source.

PART II. QUALITY, QUANTITY & PAYMENT TERMS

20. Price, price basis & its effectiveness

20.1 The Bidder shall quote its most competitive prices for the Scope of Work in Price Bid format (Annexure IV). Any quantity which is allocated during the Contract period but not delivered during the Contract period shall be executed at the same Contract Price and as per same terms and conditions under the Contract.

20.2 Price Variation:

- a) The prices shall remain fix and binding on the Bidder and shall not be subject to any variations for any reason whatsoever during the term of the Contract and any rollover period until the entire allocated Coal quantity is received at the NPL Plant.
- b) However, statutory variations (increase or decrease) on account of the change in statutory taxes & duties, introduction of any new tax, withdrawal, or modification of any tax shall be passed through during the period of Contract. Documentary evidence shall be required from the Bidder for the same.

20.3 The rates quoted by the Bidder in the Price Bid be deemed to cover the cost of all the relevant operations/works mentioned in this Tender Document. No claim for any increase in cost shall be entertained on any account except in terms of clause 20.2 above.

21. Quantity Determination

- 21.1. Weighment of rakes shall be carried out on In-Motion Weigh Bridges (for tare and gross) at NPL. Access to the Contractor to witness the weighment will be provided through CCTV real time footage.
- 21.2. NPL will provide copy of calibration certificates if requested by the Contractor. NPL will undertake the calibration of In Motion Weigh Bridge (IMWB) in line with the schedule/practice as recommended by Legal Metrology. Any efforts to influence weighment process/ hamper the operation of IMWB through frivolous objections may be considered as a default on the part of the Contractor.
- 21.3. The weight recorded at NPL as per the above process shall be final and binding. However, in case of non-recording of weight on NPL in-motion weighbridge due to over speeding of rake or due to any other reason, then RR weight of that rake shall be considered as NPL received weight.
- 21.4. Weighment reports will be shared to the Contractor within 5 working days of completion of weighment.

22. Quality Determination

NPL receipt end Coal quality determination shall be carried out at NPL Laboratory. NPL Laboratory is duly accredited by NABL for coal testing in accordance with ISO/IEC 17025:2017.

- 22.1. NPL will carry out the sampling and analysis of Coal at NPL Plant as per the provisions of either BIS or ASTM at the option of NPL. Normally, sampling would be done through mechanical sampling system. In case of exigencies when sampling could not be done through the mechanical sampling system due to any reason whatsoever, NPL will carry out the sampling and testing process as per the relevant BIS/ASTM standard, however any such change in sample collection and testing process will be communicated to the Contractor in advance.
- 22.2. The Contractor's representative will have the option to witness the sample collection, preparation, and testing of main sample through CCTV real time footage. Any dispute related to sampling, preparation and analysis activity has to be raised strictly within 48 hours of the respective activity. The disputes with respect to sampling and testing may be entertained only if backed up by logical and justifiable reasons. Frivolous/repeated disputes may invite penal action by NPL.
- 22.3. As the process of sampling and preparation is a continuous round the clock process to deal with multiple consignments, hence NPL would carry out the process as per the time deemed suitable for the process and it is the responsibility of the Contractor's representative to be available at all times at CCTV monitor location to witness the same.
- 22.4. NPL may request Contractor to withdraw representative who is not diligent and/or is not cooperative. Frivolous/unreasonable objections to the sampling and testing process at NPL will not be entertained.
- 22.5. Generally, quality reports are generated within 7 days of receipt of the rake and same will be communicated to the Contractor.
- 22.6. Any misuse of real-time footage witnessing by the Contractor or its representative will be viewed seriously and may result in disqualification / blacklisting of Contractor, including denial of access for balance period of Contract. Presence / interference of any extra representative will be viewed as unnecessary and violation of the privilege. Repeated violation may lead to cancellation of gate pass and banning of entry in the premises.

23. Computation methodology for payable Contract Price & various recoveries/quantity adjustments

The payment will be made to the Contractor on the basis of quantity of Coal received at the Project, after adjustments and net of compensation per Batch of rakes.

The Parties hereby acknowledge and accept that compensation computed herein below is genuine pre-estimate of loss that will be suffered by the NPL under various heads from 23.1 to 23.4.

The details of compensation are as under:

23.1 Compensation towards GCV ARB received at NPL plant:

23.1.1 Compensation shall be payable by the Contractor to NPL as per the table below for the **Batch weighted average GCV ARB**.

GCV ARB received at NPL plant (Kcal/kg)	Compensation*
GCV-ARB >= 4000	Nil
3800 <= GCV-ARB < 4000	Rs 2.5/MT
3600 <= GCV-ARB < 3800	Rs 5/MT
GCV-ARB < 3600	Rs 10/MT

*Taxes will be extra as applicable

Illustration I:

Say NPL receives 04 rakes in a Batch, for computation the GCV-ARB figures are as follows:

GCV-ARB of rake 1 = 4100 Kcal/kg

GCV-ARB of rake 2 = 4060 Kcal/kg

GCV-ARB of rake 3 = 3750 Kcal/kg

GCV-ARB of rake 4 = 3690 Kcal/kg

Weighted average GCV-ARB will be calculated as follows:

GCV-ARB	Qty per rake	Weighted Average GCV-ARB for batch
4100	4000	3903
4060	4100	
3750	3950	
3690	3900	

Say, Contract Price=Rs 20/MT
 Compensation = Rs 2.5/MT
 Contract Price payable = (20 – 2.5) Rs/MT =Rs 17.5/MT

23.2 Compensation on lower materialization with respect to the approved railway program

% Materialization against the approved monthly program (for receipt of rakes at NPL plant)	Compensation*
% Materialization >90%	Nil
90% >= % Materialization > 80%	Rs 2.5/MT
80% >= % Materialization > 70%	Rs 5/MT
70% >= % Materialization > 50%	Rs 7.5/MT
50% >= % Materialization	Rs 10/MT

*Taxes will be extra as applicable

23.3 Compensation on account of overloading

Contractor must ensure that all empty wagons shall be uniformly loaded up to its permissible carrying capacity. No penalty by way of compensation will be charged to the Contractor if the penalty charged by Railway on account of overloading and associated components for the Batch of rakes is less than or equal to the weighted average of Rs 2 lakh per rake. If the penalty charged by Railways for the Batch of rakes exceeds the weighted average of Rs 2 lakh per rake, a penalty by way of compensation of Rs 2/MT will be applicable on the entire quantity of the Batch of rakes. The illustration reflecting the methodology for computation of penalty by way of compensation is given below:

Illustration I:

Batch of 5 rakes are received in plant:

Rake No	NPL Quantity (MT)	Over loading (Rs)	Penalty by way of compensation due to Over Loading(Rs)
1	3,755.70	2,50,000.00	2 x 18556.51
2	3,646.20	1,50,000.00	
3	3,727.40	6,80,000.00	
4	3,650.01	4,00,000.00	
5	3,777.20	10,00,000.00	
	18,556.51	4,98,892	₹ 37,112.02
	Total	Weighted Average	Amount

Illustration 2:

Batch of 5 rakes are received in plant:

Rake No	NPL Quantity (MT)	Over loading (Rs)	Penalty by way of compensation due to Over Loading(Rs)
1	3,796.00	1,50,000.00	0
2	3,500.00	2,50,000.00	
3	3,771.00	3,00,000.00	
4	4,000.00	1,25,000.00	
5	3,992.00	1,50,000.00

23.4 Compensation on account of Transit Loss (TL):

For the purpose of assessing transit loss (TL), quantity of Coal rakes received at NPL Plant in a Batch of rakes (NPL weight) will be considered.

RR weight shall be compared with NPL weight of the Batch of same rakes.

$$TL = \frac{RR \text{ quantity for Batch of rakes} - NPL \text{ received quantity for Batch of rakes}}{RR \text{ quantity for Batch of rakes}} \times 100\%$$

If TL is more than the allowable TL of 0.2%, then the Contractor shall be liable to pay the compensation as per the table below (not as per income tax slab basis):

Transit Loss (TL) percentage	Compensation*
(TL) <= 0.2%	NIL
0.2% < (TL) <= 0.5%	Rs 2.5 /MT
0.5% < (TL) <= 0.8%	Rs 5 / MT
0.8% < (TL) <= 1.5%	Rs 10 / MT
1.5% < (TL) <= 2.0%	Rs 15 / MT
(TL) > 2.0%	Rs 20 / MT

*Taxes will be extra as applicable

Illustration:

RR weight for the rakes received in NPL in a Batch = 12000 MT

NPL weight for the rakes received in NPL in a Batch= 11800 MT

TL as per the above formula = 1.7%

Compensation = Rs 15/ MT

23.5 Demurrage

100% of the monthly incurred demurrage charges by NPL on account of delay in unloading (of Contractor's rakes) due to reasons attributable to the Contractor shall be recovered from Contractor's monthly dues.

However, demurrage imposed at unloading end due to congestion or any other reason attributable to NPL shall be borne by NPL.

In case of waiver of demurrage charges by Railway, the deduction made, if any, on account of demurrage will be refunded to the Contractor. The refund amount shall be proportionate to the waiver granted by Railway.

23.6 Aggregate Compensation:

Aggregate of all the compensations/demurrage are capped at 80% of the Contract Price.

24. Billing and payment terms

The Contractor shall submit invoices (in triplicate) for each Batch of rakes. The payment for each Batch will be processed thereafter.

The invoices are to be submitted with complete details along with supporting documents (included but not limited to):

- a. Copies of corresponding RRs (in case ERRs are not available)
- b. Statement showing RR no, invoice no, wagon no and net weight
- c. Statement of rake numbers in a Batch, weighment and quality received at NPL

The eligible payments will be released after various recoveries /adjustments within the following timelines and deduction of tax at source (TDS) as applicable.

NPL will release 90% of eligible amount for each period as admissible, within forty-five (45) working days from the date of receipt of such bills (complete in all respects) at NPL's designated office located at NPL Plant. All payments shall be made through EFT (Electronic Fund Transfer).

Balance amount will be released on receipt of TPSA/JS quality results (including referee results) along with debit/credit notes or 18 months from the receipt of Batch of rakes, whichever is earlier.

Invoices/bills with supporting documents shall be addressed/submitted to following address:

HEAD – Fuel Sourcing & Management,
Nabha Power Limited,
Near Village Nalash, PO Box 28, Rajpura -140401,
Distt. Patiala, Punjab, India.

Contract Closure

The Contractor shall submit a Contract closure note as per format provided in Annexure-XI before the full and final settlement of the Contract.

PART III. GENERAL TERMS & CONDITIONS

25. Governing Law and Jurisdiction

This Tender Document and Contract shall be governed by the laws of India and all legal proceedings in connection with the Contract shall be subject to the exclusive jurisdiction of courts at Chandigarh.

26. Assignment and subcontracting

The Bidder shall not assign, subcontract or transfer Contract or any part thereof, without the prior written approval of NPL.

30.4. Notice of Force Majeure Event

- a. The Affected Party (Party whose performance has been affected by an event of Force Majeure) shall give notice to the other Party in writing of the occurrence of any of the Force Majeure Event (the "FM Notice"), as soon as the same arises or as soon as reasonably practicable and in any event within 15 (fifteen) Days after the Affected Party knew of its occurrence, the adverse effect it has or is likely to have on the performance of its obligations under this Contract, the actions being taken in accordance with clause 30.5 below (Performance Excused) and an estimate of the period of time required to overcome the Force Majeure Event and/or its nature and effects (if it is possible to estimate the same).
- b. If, following the issue of the FM Notice, the Affected Party receives or becomes aware of any further information relating to the Force Majeure Event, it shall submit such further information to the other Party as soon as reasonably practicable.

30.5. Performance Excused

If either Party is rendered wholly or partially unable to perform its obligations under this Contract because of a Force Majeure Event, that Party will be excused from its performance affected by the Force Majeure Event to the extent so affected provided that:

- a. The affected Party gives the other Party Written Notice in terms of clause 30.4 ;
- b. the suspension of performance shall be of no greater scope and of no longer duration than is reasonably warranted by the Force Majeure Event; and
- c. The affected Party shall exercise all reasonable efforts to mitigate or limit damages to the other Party.
- d. nothing contained herein shall absolve the Affected Party from any payment obligations accrued prior to the occurrence of or during subsistence of the Force

Majeure Event.

- e. any Party claiming to have been affected by a Force Majeure Event shall not be entitled to any relief unless all the provisions of this clause 30.4.a and 30.4.b above have been complied with.

Provided however that upon occurrence of a Force Majeure Event affecting NPL, NPL may require the Contractor to continue performing its obligations, including the obligation to lift such quantities of Coal, as notified in writing by NPL and stockpile the Coal at storage area until NPL becomes capable of taking delivery of the Coal at the NPL Plant.

No liability of either Party which arose before the occurrence of the Force Majeure Event shall be excused because of the occurrence.

30.6. No liability for losses due to Force Majeure Event

- a. Neither Party shall be liable in any manner to the other Party in respect of any loss relating to or arising out of the occurrence or existence of any Force Majeure Event, each Party shall maintain appropriate insurance cover for losses arising as a result of Force Majeure Events.

30.7. Duty to perform & duty to mitigate:

To the extent not prevented by a Force Majeure event, the Affected Party shall continue to perform its obligations under the Contract. The Affected party shall take all reasonable efforts to mitigate the effect of a Force Majeure Event.

30.8. Resumption of performance

During the period that a Force Majeure Event is subsisting, the Affected Party shall in consultation with the other Party, make all reasonable efforts to limit or mitigate the effects of such Force Majeure Event on the performance of its obligations under this Contract. The Affected Party shall also make efforts to resume performance of its obligations under this Contract as soon as possible and upon resumption, shall notify the other Party of the same in writing. The other Party shall provide all reasonable assistance to the Affected Party in this regard.
