

Business Meet 2022

Nabha Power Limited, which operates the 2x700 MW Supercritical Thermal Power Plant at Rajpura, is going to host a vendors' meet at Hotel Park Plaza, Zirakpur (near Chandigarh) on May 20, 2022, at 11:00 am.

Nabha Power has envisaged various projects during the current financial year that opens a huge opportunity for vendors from various background to join hands with the lowest cost power producer of Punjab.

This meet will enable the vendors to become a part of the state's growth through Nabha Power, which is constantly working to propel Punjab's financial and economic progress by ensuring uninterrupted and reliable power throughout the year.

We would like to invite service providers, who can provide services for Coal Handling Plant, Boiler Turbine Generator (BTG), Electrical and C&I, Security, Canteen, Civil works etc.

Nabha Power will be looking forward to hosting you at the meeting where we can share the future vision and hold discussions on the way forward that is beneficial for all.
